

Framework for Curriculum Aligned Play & Competency Based STEM Training Programs for Educators

Experience

What do children think, feel and do when learning through play?

Facilitation

How is learning through play facilitated - as child-led, teacher-guided or teacher-led, for what purpose, activity, & outcome?

Design

How are all available resources (students, materials and the environment) mobilised to achieve the intentions for the play experience?

Outcomes

What are the outcomes of learning through play?
What knowledge, skills, values and behaviours does the playful experience aim to and actually foster?
